

# **TOWN OF SIDNEY**

**2019-2023**

## **FINANCIAL PLAN**

As approved by Council on Feb. 26, 2019

**TOWN OF SIDNEY**  
**FINANCIAL PLAN - 2019-2023**  
**INTRODUCTION**

The Community Charter requires that Sidney Council adopt a Five-Year Financial Plan bylaw each year, prior to adoption of the annual property tax bylaw. This document provides an overview of the financial plan that was approved by Council on February 26<sup>th</sup>.

The Town's budget is broken out into the following components:

- General Operating Fund
- Water Fund
- Sewer Fund
- Capital

This supporting document provides the following information on the above components:

- Proposed tax increase and summary of major budget impacts
- Table summary of Revenues and Expenditures by type for each fund
- Net budget summary, listing total budget and yearly changes for each department within each fund
- Total Revenues and Expenditures by department, with major changes explained
- Listing of Supplemental Items
- Listing of Capital projects included in the Financial Plan.

**The Town's website has additional budget information and resources, including copies of staff presentations and reports to Council. Please also refer to these resources for a more detailed understanding of the budget and its approval process. This information may be found under the *Financial Services/Budget* section of our website.**

## **Town of Sidney 2019-2023 Financial Plan**

Town staff is pleased to present a draft financial plan that was developed to maintain or enhance existing levels of service to taxpayers, and to support Council's strategic goals. Staff always look for internal efficiencies first, before bringing forward any proposal for a tax increase. Despite our best intentions, general cost increases, as well as the desire to respond to the demands for more and better services, make it difficult to avoid a modest tax increase.

The draft financial plan started out with a proposed general tax increase of 5.95%. This amount included several internal and external requests that had not yet been approved by Council, and was simply a starting point for budget deliberations. Over the course of the budget process, Council deferred, cancelled or reduced certain projects and initiatives, resulting in a final general tax increase of 3.93%.

The summary below provides a high level overview of some of the major factors that have influenced the development of the draft financial plan.

- **No Across-the-board Inflationary Adjustments for 2019**

Direction to staff in preparing their 2019 budget was that no across the board inflationary increases were to be factored in. This is the tenth year in a row that there has not been a general inflationary increase to all areas of the budget. Managers have to think hard about any required increases, rather than simply applying inflation to all their accounts. Some areas, such as utilities, contracts with external parties, or personnel costs governed by collective or other agreements, have required adjustments. And, like every year, funding is moved around between different focus areas to accommodate the work that has to be done. Increases above a certain reasonable level always have to be explained, and most of these are highlighted through the budget process. While this practice allows us to minimize tax impacts, certain increases each year are necessary in order to maintain or enhance levels of service to the community.

- **New Funding Sources**

In developing the draft budget, staff made every effort to take advantage of all available funding sources. This is an effective way to decrease our reliance on property taxes, though they remain by far the Town's primary source of revenue. The renewed Community Works Fund (Gas Tax) Agreement that was signed in 2014 expanded the eligibility criteria for the use of gas tax funding. In the previous three budgets, we have tried to take advantage of this additional funding in the financial plan, while also keeping in mind potential future priorities. For 2019, a very limited amount of unallocated Gas Tax funding was available; therefore, a higher reliance on current (property tax) funding for capital projects was necessary.

- Community Safety Building

A key strategic priority for Town has been the construction of a Community Safety Building (CSB) to replace the existing Fire Hall. The existing hall was completed in 1989 for volunteer firefighters to provide fire services to a smaller community with less density and fewer multi-storey buildings. Since that time, Sidney's population, demographics and fire service needs and risks have changed. The existing hall has seismic deficiencies and space limitations; residents of Sidney relying on emergency services require better assurance that the Fire Department will be able to respond when expected. BC Emergency Health Services will also be moving into the new building, ensuring that ambulance service remains within the community, while providing an ongoing revenue stream to help pay for the construction of the building.

Construction began in the spring of 2017 on a site adjacent to the Mary Winspear Centre, and is expected to be completed in the spring of 2019. Borrowing will be the main – but not the only – funding source for the project. Proceeds from the sale of the existing fire hall site are projected as the second largest funding source. The highly-competitive construction market in Greater Victoria has resulted in significant cost escalation, with the project now expected to cost approximately \$16.5M (up from the original estimate of up to \$10M). Original borrowing projections were in the range of \$5 million to \$8 million to fund this project; the ultimate borrowing amount remains within that range, with the final number dependent on the finalization of proceeds from the sale of the existing fire hall site. Debt servicing costs are part of the budget impact for 2019; increases are expected next year as well, as the final borrowing will not be put in place until the project is complete, and all costs and revenues have been finalized. The impacts of borrowing will be mitigated by expected growth in the tax base.

- Supplemental Requests

These are defined as changes to existing services, or one-time projects or studies that cannot be funded through existing budgets. While some of these items are discussed in this section, additional details are provided on pages 16-25 to better describe each item, and to quantify the total impact on the financial plan. Please note that the cost of the Supplementals is reflected in the projected budget increase. If any of the items are not approved, the tax impact would be reduced.

- Community Support

The Town provides support to many community organizations on an annual basis. The most significant local organizations supported by the Town are the Mary Winspear Centre, the Sidney Museum & Archives Society and the Shaw Centre for the Salish Sea. Funding of economic development initiatives is also included under Community Support.

Additional Community Support funding is projected to have an impact for 2019, but the amount depends on the level of approval of Supplemental Requests.

- Personnel Impacts

There is one new position included in the budget for 2019, a Senior Manager of Planning. When the Town replaced the previous Director of Development Services several years ago, it did so by combining the Planning and Engineering departments under the direction of one senior Director. As that Director has recently left the Town, it was decided to reinstate separate department heads for each function; in effect, the structure is reverting to what was in place prior to 2016. The ongoing volume of development, as well as the continuing focus on special projects – such as the upcoming review of the Official Community Plan – make it vital to ensure we have the appropriate staff resources to respond to Council’s strategic direction.

- Employer Health Tax

The Provincial government has enacted a new tax on the payrolls of most organizations, as part of a new funding model for health services in the province; the Town is not exempt from this new cost. At a tax rate of 1.95% of payroll above a certain threshold, the estimated impact for the Town in 2019 will be \$132,400. The cost of Medical Services Plan premiums continues to apply for 2019; this latter cost will be eliminated in 2020.

- Firefighter Hiring Plan Implementation

In 2013, Council approved a phased hiring plan to gradually add full time firefighters to our department. This plan was put in place to address the lack of daytime, weekday coverage, to ensure proper response times to emergencies. Having additional full-time firefighters not only increases the level of service to residents and businesses, but ensures our home and business fire insurance rates do not increase due to lack of firefighting capacity.

The fourth and final full time firefighter started in early 2016. However, there are ongoing cost impacts associated with this plan, as the new firefighters earn the increments that will take them to the top of their competitive pay scale.

- RCMP Contract

Communities with a population between 5,000 and 15,000 that are served by the RCMP pay 70% of the cost of each officer; the remaining 30% is subsidized by the two senior governments. Even with this subsidy, the cost per officer is up to \$125,500. This cost includes not just the officer, but also vehicles and all of the equipment required for duty. Despite the cost, the RCMP model remains less expensive overall than the creation of a municipal force. The Town shares an RCMP Detachment with North Saanich, one of several cost-shared services with our neighbouring municipalities.

The projected increase in the RCMP contract for 2019 is \$50,000. In addition, there are a number of capital projects over the next three years, relating to the maintenance of the RCMP building. The building is now 20 years old, and requires some attention. These costs will be shared with the District of North Saanich and the Province.

- Reserve Funds and Infrastructure Replacement

The Town remains committed to a high level of investment in replacement reserves for much of its infrastructure and equipment assets. General Fund contributions to the infrastructure replacement reserves increase by \$60,700 for 2019, plus an additional \$54,100 in the Utility Funds. Additional analysis of the sufficiency of existing reserve contributions is an ongoing effort.

- Surplus Funding

The level of Surplus funding has been increased to \$350,000 for the first two years of this 5-year financial plan, to assist in the funding of a term position that was extended to the end of 2020; for the last three years, it decreases to \$250,000. Use of Surplus is a common and effective way to reduce the tax increases. Under this budgeting method, we are still fully expecting to break even in a typical year. This is achieved through savings in various expenditure areas, or increases in conservatively budgeted revenues. While operating deficits will inevitably occur from time to time, there are sufficient accumulated surpluses from prior years to cover the potential annual deficit. The Town has an established policy in place to ensure that sufficient levels of accumulated surplus are maintained.

- Growth in the Tax Base

Another factor that helps to keep the tax increase down is growth in the tax base, which is primarily from new construction. Not only does this additional development volume produce building permit revenues, but it also generates additional taxes each year. This growth revenue is the first offset against budget increases, before any general tax increase is applied.

Growth revenue will be approximately \$162,000 for 2019. With a number of significant development projects still underway or yet to start, a similar level of new taxes is anticipated for the remaining four years of this financial plan. This new revenue will help to fund the Community Safety Building, as well as existing services and future cost pressures.

- Approved Tax Increase

The approved budget resulted in a net increase in property tax revenues of \$608,350. This includes \$162,000 in tax revenues from new construction, which helps to reduce the amount required from existing taxpayers to \$446,350; this equates to a net impact to existing taxpayers of 3.93%, which represents approximately \$57 for the average residence (under \$5 per month).

Analysis of Tax Impacts

<b>Town of Sidney - 2019 Financial Plan</b>		<b>Required Tax Revenue</b>	<b>% Tax Increase</b>
<b>2018 Taxes</b>		<b>11,353,607</b>	
<b>Add: Changes to core budget</b>			
Miscellaneous Operational increases	137,050		
Employer Health Tax	132,400		
Net increase in Debt servicing	133,700		
Increase in Reserve transfers	64,000		
Increase in tax funded Capital	49,200	516,350	<b>4.55%</b>
<b>Add: Incremental items</b>			
Supplementals - one time	143,800		
Supplementals - continuous	95,200		
Less: 2018 one-time Supplementals	(147,000)	92,000	<b>0.81%</b>
<b>Deduct: Offsets</b>			
2019 Tax Base growth (non-market) revenue	(162,000)	(162,000)	<b>-1.43%</b>
<b>2019 Property tax increase to existing taxpayers</b>		<b>446,350</b>	<b>3.93%</b>
<p>Note: 1% increase in taxes = \$113,536 in additional revenue.</p> <p>Each 1% tax increase represents approximately \$1.20 per month for the average residence.</p>			

**Impact on Average Residential Tax Bill**

- In 2018, the “average” residential property (valued at \$617,906) paid \$1,438 in municipal property taxes.
- Applying a 3.93% tax increase would take this figure to \$1,494 (2019 value for average residential property: \$682,897).
- Following several years of stable Parcel Tax rates, small increases are proposed for both Water and Sewer for 2019. As these charges are collected on the annual tax notice, the overall increase in municipal charges is estimated at \$71 for the year for the average residence.

	2018				2019		
	Annual	Monthly	Daily		Annual	Monthly	Daily
<b>Municipal Taxes</b>	<b>1,438</b>	<b>120</b>	<b>3.94</b>	<b>Municipal Taxes</b>	<b>1,494</b>	<b>125</b>	<b>4.09</b>
<b>Water Parcel Tax</b>	<b>60</b>	<b>5</b>	<b>0.16</b>	<b>Water Parcel Tax</b>	<b>65</b>	<b>5</b>	<b>0.18</b>
<b>Sewer Parcel Tax</b>	<b>120</b>	<b>10</b>	<b>0.33</b>	<b>Sewer Parcel Tax</b>	<b>130</b>	<b>11</b>	<b>0.36</b>
<b>Total</b>	<b>1,618</b>	<b>135</b>	<b>4.43</b>	<b>Total</b>	<b>1,689</b>	<b>141</b>	<b>4.63</b>
				<b>Increase</b>	<b>\$ 71</b>	<b>\$ 5.92</b>	<b>\$ 0.19</b>
				<b>Overall % increase on municipal charges</b>			<b>4.39%</b>

Please note: the impact on any individual property will vary, depending on its change in assessed value from the previous year, as compared to the average residential assessment change.

Please also note that municipal taxes represent only a portion of your total tax bill. The Town also collects levies on behalf of several other agencies, such as School Taxes for the Province, the Library Levy, and Regional levies for the CRD. The CRD Levy pays for Panorama Recreation services, regional parks, and many other shared services.

## Town of Sidney 2019 Financial Plan: Fund Summary

**FUND:** General Operating Fund

**DESCRIPTION:** Property Tax funded general operating fund for the Town of Sidney.

**PROGRAM DETAILS:** General operations of the Town, operating under local government legislative guidelines. Includes Administration, Planning, Finance, Engineering & Works and Parks & Cultural functions.

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONE-TIME REQUESTS – 2019**

DEPARTMENT	DESCRIPTION OF REQUEST	AMOUNT
<p><b>Environmental Services</b></p>	<p><b>Flood Hazard Guidelines</b></p> <p>This item is to hire an engineering consultant to refine flood level planning for development. A Flood Construction Level map would be created to identify safe building elevations specific to different areas of Town.</p> <p>This is one of the initial stages of the Town’s Sea Level Rise planning.</p>	<p><b>\$0 tax impact</b></p> <p>\$30,000 (Gas Tax)</p>
<p><b>Environmental Services</b></p>	<p><b>Urban Forestry Strategy</b></p> <p>As recommended in the Parks Master Plan, the Urban Forest Strategy will inventory existing trees, identify priority areas for tree planting in parks, and include guidance for management of urban street trees. This plan was commenced in 2018.</p>	<p><b>\$0 tax impact</b></p> <p>\$18,905 (Gas Tax)</p>
<p><b>Environmental Services</b></p>	<p><b>Coastal Engineering Study</b></p> <p>As recommended by the Ports &amp; Waterfront Committee in 2017, a study to examine the Sidney coastline and identify/prioritize long-term protection improvements.</p>	<p><b>\$0 tax impact</b></p> <p>\$20,000 (Gas Tax)</p>
<p><b>Environmental Services</b></p>	<p><b>Active Transportation Plan</b></p> <p>Development of a plan for sidewalks, transit, and bicycle networks throughout the Town to improve accessibility and reduce the reliance on vehicular travel.</p>	<p><b>\$0 tax impact</b></p> <p>\$50,000 (Gas Tax)</p>

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONE-TIME REQUESTS – 2019**

DEPARTMENT	DESCRIPTION OF REQUEST	AMOUNT
<b>Engineering</b>	<p><b>Reay Creek Dam Assessment</b></p> <p>Borehole testing of existing dam to determine the extent of replacement work required. If the dam is salvageable for renovation rather than complete replacement, the capital cost will be reduced.</p>	<b>\$25,000</b>
<b>Development Services</b>	<p><b>Multi-Family Building Parking Requirements Update</b></p> <p>Study to determine the rate of utilization of residential multi-family parking spaces in Sidney. The outcome will inform potential future amendments to the Parking &amp; Loading Bylaw.</p>	<b>\$15,000</b>
<b>Parks</b>	<p><b>Tulista Building Assessment</b></p> <p>Condition assessment of the building at Tulista Park that is leased to ArtSea, to determine the potential remaining life of the structure. The lease has recently been renewed for a 5-year term.</p>	<b>\$5,000</b>
<b>Parks</b>	<p><b>Painting of ArtSea Building at Tulista Park</b></p> <p>Internal and external painting of the leased building.</p>	<b>\$4,000</b>
<b>Parks</b>	<p><b>Refurbish Pat Bay Highway Sign</b></p> <p>The prominent entrance sign to the Town is in need of refurbishment.</p>	<p><b>\$0 tax impact</b></p> <p>\$10,000 (Amenity)</p>

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONE-TIME REQUESTS – 2019**

DEPARTMENT	DESCRIPTION OF REQUEST	AMOUNT
<b>Parks</b>	<p><b>Iroquois &amp; Tulista Park Playground Safety Improvements</b></p> <p>Installation of wood chips under the play equipment to improve user safety. Staff will be applying for a Risk Management Grant from the Municipal Insurance Association to pay for this upgrade.</p>	<p><b>\$0 tax impact</b></p> <p style="text-align: right;">\$8,000 (Grant)</p>
<b>Fiscal Services – Community Support</b>	<p><b>Chamber of Commerce Economic Development Projects</b></p> <p>Joint municipal funding proposal for local economic development projects to be undertaken by the Saanich Peninsula Chamber of Commerce:</p> <ol style="list-style-type: none"> <li>1. Commercial or Industry Focused Tours</li> <li>2. Home Office Workshop and Local Career Education</li> </ol>	<p style="text-align: right;"><b>\$20,000</b></p>
<b>Planning</b>	<p><b>Housing Needs Assessment</b></p> <p>Completion of a newly-mandated Housing Needs Assessment as a component and starting point for the upcoming review of the Town’s Official Community Plan. The Provincial government has mandated this new requirement, and announced that grant funding will be available to offset the cost of producing the first iteration.</p>	<p><b>\$0 tax impact</b></p> <p style="text-align: right;"><b>\$20,000</b> (Grant)</p>
<b>Planning</b>	<p><b>Comprehensive Official Community Plan (OCP) Review</b></p> <p>A comprehensive review of the Town’s key planning document/policy that will guide future development in Sidney. The plan will be undertaken with the assistance of outside consultants, and will include significant community consultation.</p>	<p style="text-align: right;"><b>\$100,000</b></p> <p style="text-align: right;"><b>(over 2 years)</b></p>

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONGOING REQUESTS – 2019**

<b>DEPARTMENT</b>	<b>DESCRIPTION OF REQUEST</b>	<b>AMOUNT</b>
<b>Administration</b>	<p><b>Additional Sister Cities Funding</b></p> <p>An increase of \$1,000 to the annual funding for the Sister Cities Committee, to bring annual funding to \$4,000. This additional funding is in lieu of periodic requests for visits to Niimi or other sister cities. By increasing the annual funding amount, Sister Cities will be expected to set funds aside for those years in which international travel, or hosting a visiting delegation, are required.</p>	<b>\$1,000</b>
<b>Fire</b>	<p><b>Increase in Volunteer Reimbursement Rate</b></p> <p>When volunteer firefighters need to take time off work for certain fire duties or training, they are compensated at a rate of \$27.50 per hour. This rate has not changed for several years, and an increase to \$34.00 per hour is more realistic. In addition, this reimbursement policy is being used more frequently to ensure there is sufficient coverage on long weekends.</p>	<b>\$8,500</b>
<b>Fire</b>	<p><b>Confined Space Rescue Team</b></p> <p>Provide equipment and training for a Tri-Municipal Confined Space Rescue Team with North and Central Saanich Fire Departments.</p>	<b>\$5,000</b>
<b>Fire</b>	<p><b>Increase Transfer to Fire Equipment Reserve</b></p> <p>Regular analysis of the Fire vehicle and equipment replacement reserve has identified a funding shortfall, primarily due to the strength of the U.S. dollar. A large component of each fire truck is procured from the U.S. A phased increase in the annual reserve contribution from \$137,300 to \$160,000 is included in the budget, with the initial increase being \$2,700.</p>	<b>\$2,700</b>

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONGOING REQUESTS – 2019**

<b>DEPARTMENT</b>	<b>DESCRIPTION OF REQUEST</b>	<b>AMOUNT</b>
<b>Public Works</b>	<p><b>Additional Downtown Cleaning</b></p> <p>Additional emphasis on cleaning of the downtown area. Supplemented by internal shifting of resources.</p>	<b>\$5,000</b>
<b>Fiscal Services – Community Support</b>	<p><b>Increase in Annual Funding of ArtSea</b></p> <p>Increase to annual base funding of \$15,000 (new total \$35,000) to offset costs of a new Communication Coordinator. The focus of the new position would be to promote awareness of and participation in the arts on the Saanich Peninsula. <i>(Note: only \$13,000 approved by Council, and scope was expanded to include administration of the Sculpture Walk).</i></p>	<b>\$13,000</b>
<b>Fiscal Services – Community Support</b>	<p><b>Shaw Centre for the Salish Sea Annual Funding Increase</b></p> <p>Increase in annual funding of \$60,000 (new total of \$125,000) for 2019, with additional increase of \$80,000 starting in 2020. Additional funding is required to support the ongoing operation of the Centre, and keep it sustainable as an educational and tourism resource.</p>	<b>\$60,000</b>

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONE-TIME REQUESTS – 2020 / 2021**

<b>DEPARTMENT</b>	<b>DESCRIPTION OF REQUEST</b>	<b>AMOUNT</b>
<b>Administration</b>	<p><b>Citizen Survey (2020)</b></p> <p>Commissioning of an updated syndicated survey of citizens to gauge satisfaction with municipal services. The last survey was completed in 2013, and has helped inform the budget process since that time.</p>	<b>\$15,000</b>
<b>Administration</b>	<p><b>Civic Site Analysis (2020)</b></p> <p>Hiring a consultant to assist with planning and consultation around the potential replacement of certain civic facilities. As our municipal buildings age, additional work and investment is required to maintain them. It is prudent to consider the expected lifespans of certain buildings prior to undertaking expensive repairs or upgrades.</p>	<b>\$30,000</b>
<b>Engineering</b>	<p><b>Trolley Service Pilot Project (2021)</b></p> <p>Hiring of a transit consultant to assist with planning and analysis for a pilot trolley service to connect downtown Sidney with the West Side.</p>	<b>\$20,000</b>

SUPPLEMENTAL ITEM DESCRIPTIONS

**ONGOING REQUESTS – 2020**

<b>Fiscal Services</b>	<p><b>Transfers to Ferry Reserve</b></p> <p>The Town renewed its lease agreement with Washington State Ferries (WSF) in 2011, for a term of up to 35 years. During lease negotiations, a lifecycle costing study of the terminal was undertaken. It was agreed by the parties that annual lease payments by WSF were to be based on 80% of the lifecycle cost of the terminal assets. The Town should be setting aside funds each year to fulfil its own 20% obligation. This cost-sharing is based on the fact that there are financial benefits of the ferry route on both sides of the border, and therefore both parties should be responsible for a share of the replacement of the assets.</p> <p>The ferry terminal property generates taxes each year; the municipal portion of these taxes is approximately \$77,000. It was envisioned during lease development that the Town would use these tax funds generated from the terminal to fund its own contributions to the Ferry Reserve; that way, the property would continue to self-fund. Reallocating these funds away from general revenue does have an impact on the taxes remaining for other purposes.</p> <p>It is proposed that the first contribution to the Ferry Reserve begin with a \$50,000 allocation in 2020. This would increase to \$75,000 the following year, and by inflation in each year thereafter. The sufficiency of the reserve contributions will be reviewed periodically, to ensure that replacement funds are in place when required.</p>	<b>\$50,000</b>
------------------------	---	-----------------

**Town of Sidney**  
**2019-2023 Financial Plan**

*Water Operating Fund Summary*

The Water Operating Fund, financed entirely through a Parcel Tax and User Fees, provides for the purchase of bulk water from the CRD, as well as the maintenance and replacement of the distribution system. While the Water Utility is generally in good shape, revenue fluctuations from changes in water consumption continue to affect our ability to predictably forecast revenues. These fluctuations have been stabilizing in recent years, allowing for more accurate budgeting.

The health of the Water Utility has allowed us to keep the Parcel Tax and User Rates stable for the last several years. In fact, the User Rate has not changed since the last increase in 2011. The Parcel Tax has been at the current level since 2012; prior to that, it was higher, not lower, at \$65 per year.

Unfortunately, the ongoing increases to the CRD bulk water rate can no longer be absorbed without a rate increase. For 2019, the following increases are proposed:

- The Parcel Tax will increase from \$60 per parcel to \$65.
- The User Rate will increase from \$6.27 per 1,000 gallons to \$6.50 per 1,000 gallons of water used.

The above increases will help stabilize the Water Fund, allowing us to maintain sufficient surplus and reserves to ensure that water infrastructure is well maintained.

A significant challenge facing both Water and Sewer utilities is the need to develop better methodology for rate setting, to ensure more effective recovery of both fixed and variable costs of operating the utilities. This review began in 2018, and will hopefully conclude in 2019, resulting in a more sustainable rate structure for both funds.

## Town of Sidney 2019 Financial Plan: Fund Summary

**FUND:** Water Operating Fund

**DESCRIPTION:** Operations of the Water Utility for the Town, with net funding from water user fees and parcel taxes.

**PROGRAM DETAILS:** Net operating expenditures for the Town of Sidney's Water Utility.

**Town of Sidney  
2019-2023 Financial Plan**

***Sewer Operating Fund Summary***

The Sewer Operating Fund provides for Sidney's share of operating the Unified Treatment Plant, which has provided sewage treatment to the Peninsula for over 20 years, as well as the maintenance and replacement of the collection system. The Sewer Utility has recently enjoyed a healthy financial position, which allowed us to reduce both the Sewer Parcel Tax and User Rates in 2015.

The recent cost of infrastructure replacement projects has increased long-term cost projections for maintaining our Sewer assets, including both the collection mains and pump stations. To ensure that the Sewer Fund remains financially sustainable, the annual transfer to the replacement reserve must be increased. A \$40,000 increase is included in the 2019 budget, with the potential of additional increases in the near future.

This impact, along with an increased share of Treatment Plan costs, necessitates an increase to the Parcel Tax for 2019. The following rates are proposed:

- The Parcel Tax for Strata properties will increase from \$60 per parcel to \$65.
- The Parcel Tax for all other properties will increase from \$120 per parcel to \$130.

The rates prior to the most recent reduction in 2015 were \$70.50 & \$141.00 respectively.

No change is currently being proposed for the User Fees.

A significant challenge facing both Water and Sewer utilities is the need to develop better methodology for rate setting, to ensure more effective recovery of both fixed and variable costs of operating the utilities. This review began in 2018, and will hopefully conclude in 2019, resulting in a more sustainable rate structure for both funds.

**It should be noted that the combined minimum quarterly charge for Water and Sewer amounts to \$45. This equates to \$15 per month, or 50 cents per day, to have water coming into your home and being treated on the way out.**

## Town of Sidney 2019 Financial Plan: Fund Summary

**FUND:** Sewer Operating Fund

**DESCRIPTION:** Operations of the Sewer Utility for the Town, with net funding from sewer user fees and parcel taxes.

**PROGRAM DETAILS:** Net operating expenditures for the Town of Sidney's Sewer Utility.

## **CAPITAL BUDGETS**

The Town undertakes varying levels of capital expenditure from year to year. These expenditures are generally for either the renewal or replacement of existing assets, such as our infrastructure network, or for the purchase and addition of new assets.

Capital expenditures are funded from a variety of sources, including internal reserves, grants, borrowing, and a certain amount of current taxes and user fees. The level of current taxes being applied to capital projects has been reduced over the past three years, as the Town took advantage of external funding sources; however, as those external sources are limited, the current financial plan includes more traditional levels of current tax funding. This has an impact on the proposed tax increase.

Much of the information presented below focuses mainly on 2019 capital projects. For more detailed information, please refer to the Town's website.

## 5 Year Capital Project Listing

## 2019 Capital Project Descriptions

Title	Description	<b>2019 Project Cost</b>
Annual Workspace Efficiency Upgrades	Annual budget to provide for occasional replacement and improvement of work spaces.	5,000
Asset Management Software Upgrades	Ongoing enhancements to the Town's Asset and Work Management software to provide additional functionality to Engineering/Operations staff as well as to Finance.	10,000
Asset Performance Module	This module of the Town's Asset and Work Management software is an advanced tool for decision support and analysis.	9,000
Council Chambers Upgrades	Additional upgrades to the Council Chambers, including the potential addition of indigenous art elements.	5,000
Computer Replacement Plan	A plan for the replacement of the Town's Computer Equipment and Printers. The plan, outlined in Policy #FN-015, covers replacement of equipment only. Purchases of new equipment for a new user, or a new use that is not replacing an existing piece of equipment, must be budgeted for separately, including the cost of software and licensing.	180,000
Computer Equipment Fund	Centralized addition of new computer equipment from all departments for planned new positions, or requirements that arise during the year.	5,000
Tempest - Our City	<p>OurCity is a responsive web application that is linked to the Town's website, allowing the community to serve itself, reducing requests for information and freeing up valuable staff time. Information comes directly from Prospero, Tempest's Permitting and Applications system, providing the latest details about active development in Sidney. Users can look up details on permits and applications, and track their progress through a simple and intuitive interface.</p> <p>OurCity employs a streamlined interface for intuitive navigation from desktops and laptops, as well as modern touch based devices, such as smartphones and tablets. Run from a web browser and employing the latest in responsive design, the interface shifts elegantly to fit multiple screen sizes and layouts. This means that no matter what device visitors are using, the interface will seamlessly adjust to display information in a clear and appealing layout.</p>	12,500

### 2019 Capital Project Descriptions

Title	Description	<b>2019 Project Cost</b>
Ferry Terminal Building Improvements	Site and building improvements at the Sidney International Ferry Terminal. The 2019 budget includes initial work on the replacement of the U.S. Customs Building.	100,000
Ferry Terminal Dock Metal Painting	The metal beams and piles supporting the Washington State Ferry Dock were inspected in 2014 and found to be lacking the original protective coating in many places. With the exposure to waves and salt water, corrosion is a concern. This item is to remove surface rust and apply new coat of protective paint to extend the life of the asset.	360,000
Beacon Wharf Repairs	Beacon Wharf Repairs as per condition assessment report.	150,000
Infra Plan Ardwell Ave Storm	Realigning of 525mm, 600mm and 750mm storm mains on Ardwell Avenue, Ardwell Easement, Patricia Place Easement and Courser Drive Easement, and Melville Park with 675mm and 900mm pipe.	550,000
White Birch Road Storm Drain Repair	The existing storm drain system at 2040 White Birch road has deteriorated to the point of replacement. Investigations shows that the existing main is not located in a registered easement. There is a parallel main in good condition and in a registered easement that would provide the most cost effective method of connecting the apartment building. This work cannot proceed until the condo building has completed onsite upgrades first.	20,000
Infra Plan-Stirling Way Storm	Replacement of 15.6m of storm main pipe on Stirling Way, from the culvert from the flight path trail to the east side of Stirling way.	18,600
Infra Plan-Third St Storm	Replacement of 105m of storm main pipe on Third St., from Ocean Ave. to Orchard Ave.	3,500
Infra Plan-McDonald Park Rd Storm	Replacement of 105.2m of storm main pipe on McDonald Park Rd., from Firelane#2 to Malaview Ave.	81,400
Engineering Equipment	Allocation of \$4,500 per year to replace existing engineering equipment. Also, with changes in technology, new equipment may be required.	4,500

## 2019 Capital Project Descriptions

Title	Description	<b>2019 Project Cost</b>
DCC Bylaw	To update the Town's DCC Bylaw. The existing bylaw was created 18 years ago and many things have changed since then, including the OCP and zoning bylaw.	10,000
Fire Department Equipment	Replacement of essential Fire Department equipment, including: Nozzles and Hose Fittings; Turnout Gear; SCBA; other specified equipment.	31,750
Community Safety Building	Completion of a new fire hall with co-located Ambulance station.	4,825,000
CSB Easement Access	Compensation to Memorial Park Society for perpetual use of easement access across their lands, from Bevan Avenue to the new Community Safety Building.	80,000
Library Front Entrance Sidewalks	Existing exposed aggregate front entrance sidewalks are cracked and starting to lift. Also replace exterior pathway lights with new LED.	35,000
RCMP Furnishings	Required replacement of old workstations and chairs for ergonomic, configuration and productivity purposes. Project is cost shared with North Saanich.	10,000
RCMP General Duty Section Reorganization	Completion of office reorganization to make space more efficient.	13,400
RCMP Staff Entry Door	Replace staff entry door at RCCP building.	30,000
RCMP Kitchen Upgrades	Replace the flooring and counters in the RCMP kitchen and staff room, which also serves as meeting and training facilities.	15,000
RCMP Boiler Replacement	RCMP Boiler asset replacement with high efficiency dual boiler system.	170,000
Parks Equipment	Replacement of Parks small equipment.	10,000

## 2019 Capital Project Descriptions

<b>Title</b>	<b>Description</b>	<b>2019 Project Cost</b>
Parks Vehicles	To provide for the timely replacement of Town Vehicles, as per Council Policy FN-022: Mobile Equipment Replacement Plan. Funding is set aside for these replacements.	30,000
Reay Creek Dam & Remediation	Detailed evaluation of options to either repair, replace or remove the Reay Creek Dam. Transport Canada is examining options for sediment removal and habitat restoration, which would logically happen at the same time as Dam remediation/replacement.	600,000
Waterfront Walkway Upgrade (Eastview to First St Access)	Completion of accessibility improvements along an uneven and storm impacted section of the Town's waterfront walkway stretching between the south end of Eastview Park and the access corridor to First St.	28,700
Rotary Park Irrigation Replacement	Existing system is grossly inadequate and inefficient. The original system has been expanded over the years, (as have several ball fields) from 12 zones to 28 zones. If the issue is not addressed, the excessive water hammer will burst the pipes, resulting in extensive water damage to the building, and will force the issue of upgrading. A 4-phase project is proposed to improve the system gradually, with 50% of the funding coming from North Saanich.	30,000
Melville Park Path-Resurface Overlay	Existing asphalt path is cracked and requires an overlay.	20,000
Irrigation Upgrades	To be determined after per Parks Master Plan development. Modern irrigation systems will provide better coverage and use less water.	36,800
Boulder Park	Completion of playground and park amenity improvements initiated in 2018.	19,300
Solar Lights-Maryland Park & Melville Park	To be determined as per master parks plan development. Solar lights are less expensive to operate and a greener option because they do not require electricity from BC Hydro.	10,000
Underground Wiring	To allow the Town to participate in underground wiring projects, jointly funded by adjacent developments. \$20,000 annually.	20,000

**2019 Capital Project Descriptions**

<b>Title</b>	<b>Description</b>	<b>2019 Project Cost</b>
Skatepark Seating	<p>Since construction of the Skatepark in 2017 staff have been observing where users and spectators tend to congregate, with a view to providing a seating area. Staff have also been in touch with the Kiwanis Club of Sidney, who have already raised \$5,000 for improvements at the Skatepark, and intend to continue fundraising in the future.</p> <p>Staff recommend that the area be developed as seating for users and spectators. Specifically, the area will include 3 benches and 2 picnic tables (handicap accessible), and will cost approximately \$20,000 in total. The \$5,000 already received from Kiwanis is to be applied to the construction of the first picnic table, and that subsequent donations be used to construct the remaining elements.</p>	20,000
Green Technology Applications	Funding to explore (through small pilot projects etc.) practical applications of green and sustainable technologies in Town operations, with the goal of reducing energy consumption and the Town's carbon emissions. The use of lower energy fixtures, solar energy, LED lighting and biofuels, etc. is to be investigated.	10,000
Public Works Equipment	Allocation of \$10,000 per year for public works equipment in the 5 year financial plan. This funding will be used to replace existing equipment and also, with changes in technology, new equipment may be required.	10,000
Transportation Vehicles	To provide for the timely replacement of Town Vehicles, as per Council Policy FN-022: Mobile Equipment Replacement Plan. Funding is set aside for these replacements.	370,000
Shop Hoist	Mechanics require a longer and higher capacity hoist. Current drive-on vehicle hoist only has a weight capacity of 12,000 lbs. The proposed new hoist is to have minimum capacity of 18,000 lbs. Not all vehicles can be put onto the current hoist.	20,000
Water Fountain Stations	Install public water fountain stations in and near the downtown core.	6,800
Public Works Compound Extension/Trail Relocation	Fencing and clearing of the expanded works yard leased storage and transfer station opposite the works yards, and relocation of the Lochside Trail connection.	85,000

## 2019 Capital Project Descriptions

Title	Description	<b>2019 Project Cost</b>
Wheel Loader	A full size wheel loader with variable attachments (4 in 1 bucket, fork lift, and snow plow) is a much more efficient and versatile piece of equipment than some of what the Town currently has to replace. A wheel loader is also an invaluable tool for emergency response, as it relates to the Town's ability to disasters. The intent is to replace units 155,177,178 and 284.	160,000
Annual Workspace Efficiency-Public Works/Parks	Annual budget to provide for occasional replacement and improvement of work spaces.	3,000
Third & Sidney Underground Wiring	Relocation of overhead utility wiring to underground, in conjunction with three specific development projects in the vicinity of Third Street and Sidney Avenue. The developers and BC Hydro would pay for the majority of this project.	1,253,262
Decorative Street Lighting	To install Decorative Street Lights in the Downtown core, based on a priority schedule. Ongoing annual budget item.	30,000
McDonald Park Road Sidewalk	To extend the sidewalk from Henry Ave to Mills Rd on the West side of Sidney. In accordance with recommendations from 2017 West Side Local Area Plan.	132,100
Wayfinding Signage	Installation of pedestrian-oriented wayfinding signage in and near downtown.	27,000
Malaview Ave Sidewalk, Melissa St. to Resthaven Drive	To upgrade sidewalk to current standards on north side of Malaview Avenue, from Melissa Street to Resthaven Drive	79,500
Downtown Employee Parking Lot	Completion of construction of an employee parking lot on land leased from the Memorial Park Society, adjacent to Mary Winspear Centre.	450,000
Hydro Box Revitalization	Vinyl wrap of several of the older utility kiosks in the downtown for aesthetic improvement. The 2019 program would have a local First Nation focus, featuring Coast Salish artwork by each of the four Peninsula W'sanec groups.	17,275
Resthaven Curb Returns - Allbay Rd & Harbour Rd	Upgrading curb drops to current standards on Resthaven Drive, at intersections on Allbay Road and Harbour Road.	20,000

### 2019 Capital Project Descriptions

Title	Description	<b>2019 Project Cost</b>
White Birch Road Cul-de-Sac Improvements	Cul-de-sac upgrades to the eastern end of White Birch Road to include sidewalk, curb & gutter, paving and landscaping, cost shared with developer of 2060 White Birch.	60,000
Bike Path West Side of Highway	Resurface and rebuild portions the West Sidney highway bike trail, as recommended in the 2017 West Side Local Area Plan.	240,000
Galaran Sidewalk	New Sidewalk along Galaran Road, as recommended in the 2017 West Side Local Area Plan.	343,500
Infra Plan-McDonald Park-Fire Lane#2-Pat Bay Hwy	Replacement of 472m of curb & gutter on McDonald Park Rd, from Fire Lane#2 to Pat Bay Hwy; Replacement of 350m of sidewalk on McDonald Park Rd, from Fire Lane#2 to Pat Bay Hwy; Paving 7 segments of McDonald Park Rd, from Fire Lane#2 to Pat Bay Hwy.	445,300
Infra Plan-Epco Dr. - Weiler to Ocean	Replacement of 12m of curb & gutter on Epco Dr, from Brethourpark Way; Replacement of 12m of sidewalk on Epco Dr, from Brethourpark Way; Paving 3 segments on Epco Dr, from Weiler Ave to Ocean Ave.	109,600
Infra Plan Curb-Redwing Pl-Brethourpark	Replacement of 24m of curb & gutter on Redwing Pl, from Brethourpark Way.	5,000
Infra Plan-Seventh St-Beacon to Bevan	Replacement of 24m of curb & gutter on Seventh St, from-Beacon to Bevan Ave. Replacement of 12m of sidewalk on Seventh St, from-Beacon Ave to Bevan Ave. Paving 1 segment on Seventh St, from-Beacon Ave. to Bevan Ave.	49,200
Infra Plan Paving-Bessredge-James White South	Paving 1 segment on Bessredge Pl, from James White Blvd South	52,400
Paving Eighth St-Oakville to Orchard	Paving overlay work on Eighth Street, from Oakville to Orchard.	55,000

## 2019 Capital Project Descriptions

Title	Description	2019 Project Cost
Ardwell Paving Overlay	Ardwell paving overlay (grinding and patch paving). Road is broken up due to increased traffic.	50,000
Senior Centre Flooring	Replacement of old flooring at Seniors (SHOAL) Centre over a 4-year period.	25,700
Senior Centre Washer & Dryer	Purchase and installation of a washer and dryer in the kitchen.	5,000
Senior Centre Walk-in Shower	Installation of walk-in shower in the large bathroom at the SHOAL Seniors Centre.	7,000
Bus Stop Improvements	Program to install new or upgrade existing bus transit stops.	5,600
Sewer Equipment	Annual allocation for sewer equipment. Funds are to be used to replace existing equipment, and also, with the changes in technology, new equipment may be required.	10,000
Access Hatches-Pump Stations	Improved confined space entry hatches, to comply with Worksafe regulations. We have 10 pump stations and the improvements would be phased over 5 years.	40,000
Town Hall Service Connections	New sanitary sewer service connection to Town Hall.	50,000
Ardwell Ave. Sanitary Sewer	Replacement of Sanitary Sewer main in conjunction with Storm Sewer work in the area. Budget increased to reflect current tender prices.	400,000
Infra Plan Sewer-Harbour Pump Station	2019-for consultant fees to evaluate, design, tender and inspect the construction of a complete lift station replacement in 2020. 2020: complete lift station replacement.	63,600
